

## **MONTANA DEPARTMENT OF AGRICULTURE ANALYTICAL LABORATORY**

The Laboratory Bureau is a jointly operated analytical facility based on the Cooperative Agreement between the Montana Department of Agriculture (MDA) and the Montana State University Agriculture Experiment Station (MSU AES). The functions of MDA and AES laboratory are similar, however, their primary analytical purpose is different. The MDA section of the laboratory is regulatory and assists in the enforcement of Montana Feeds, Fertilizer, Pesticide and Agricultural Chemical Ground Water Protection laws. The AES section provides analytical services to farmers, ranchers, researchers and other state agencies on a fee basis.
